Contents

Preface viii

I. Systematics and evolution

Some characteristics of genetic variants of *Tubifex tubifex* (Müller, 1774) (Oligochaeta: Tubificidae) in laboratory cultures
by A. Anlauf 1

Morphology of some species of the genus *Aulodrilus* Bretscher
by N.P. Finogenova & N.R. Arkhipova 7

A description of spermatozoan ultrastructure and some anatomical characters in *Branchiobdella kozarovi* Subchev, 1978 (Annelida: Clitellata), and review of the spermatozoan morphology within the genus
by S.R. Gelder, M. Ferraguti & M.A. Subchev 17

II. Taxonomy and geographic distribution

Oligochaete fauna of Lake Baikal
by L.N. Snimschikova & T.W. Akinshina 27

A preliminary review of the taxonomic characters used for the systematics of the genus *Trichodrilus* Claparède (Oligochaeta, Lumbriculidae)
by P. Rodriguez & N. Giani 35

The enchytraeid fauna of North Africa
by E. Rota & B. Healy 53

Propappidae and aquatic Enchytraeidae (Oligochaeta) from the farthest southeast of Russia
by T. Timm 67

Oligochaetes (Naididae, Tubificidae, Enchytraeidae and Alluroididae) of Guyana, Peru and Ecuador
by K.A. Coates & D.F. Stacey 79

Oligochaetes of the River Rhine. Preliminary records
by R.M. Schmelz 85

III. Distribution, abundance and habitat types

Composition and distribution of the bottom oligochaete fauna of a north Italian eutrophic lake (Lake Ledro)
by S. Casellato 87

Habitat preferences and species associations of shallow-water marine Tubificidae (Oligochaeta) from the barrier reef ecosystems off Belize, Central America
by R.J. Diaz & C. Erséus 93

Communities of oligochaetes in mountain streams of Poland
by E. Dumnicka 107

Oligochaeta in *Spartina* stems: the microdistribution of Enchytraeidae and Tubificidae in a salt marsh, Sapelo Island, USA
by B. Healy & K. Walters 111

Distribution of Oligochaeta in some lakes and pools of Bolivia
by J. Juget & M. Lafont 125
Influence of small river conditions on the abundance of Tubificidae
by E.I. Lestochova 129
Aquatic Oligochaeta of the Dnieper-Bug estuary system
by T.G. Moroz 133
On the distribution patterns and population dynamics of sublittoral and profundal oligochaeta fauna from Lake Banyoles (Catalonia, NE Spain)
by M. Rieradevall & M. Real 139
Depth distribution of oligochaetes in Lake Baikal (Siberia – Russia)
by P. Martin, B. Goddeeris & K. Martens 151

IV. Ultrastructure
Ultrastructural and histochemical comparison in haplotaxids
by M. de Eguileor, G. Lanzavecchia & R. Valvassori 157
An ultrastructural overview of tubificid spermatozoa
by M. Ferraguti, D. Ruprecht, C. Erséus & O. Giere 165
Body wall muscles in oligochaetes
by G. Lanzavecchia, R. Valvassori & M. de Eguileor 179
Comparative body wall musculature and muscle fiber ultrastructure in branchiobdellidans (Annelida:Clitellata), and their phylogenetic significance
by R. Valvassori, M. de Eguileor, G. Lanzavecchia & S.R. Gelder 189

V. Pollution studies
Response of tidal freshwater macrobenthos to sediment disturbance
by R.J. Diaz 201
Oligochaetes and water pollution in two deep Norwegian lakes
by G. Milbrink 213
A field test of a sediment bioassay with the oligochaete worm *Tubifex tubifex* (Müller, 1774)
by T.B. Reynoldson 223
Lacustrine profundal meiobenthic oligochaetes as indicators of trophy and organic loading
by J. Särkkä 231
Oligochaete response to changes in water flow in the Dokka Delta, Lake Randsfjorden (Norway), caused by hydroelectric power development
by S.-E. Sloreid 243
An experimental manipulation of oligochaete communities in mesocosms treated with chlorphyrifos or nutrient additions: multivariate analyses with Monte Carlo permutation tests
by P.F.M. Verdonschot & C.J.F. ter Braak 251

VI. Population dynamics
Quantitative observations on the population ecology of *Branchiura sowerbyi* (Oligochaeta, Tubificidae)
by C. Bonacina, A. Pasteris, G. Bonomi & D. Marzuoli 267
Biology of *Limnodrilus claparedeanus* Ratzel (Oligochaeta, Tubificidae) in the Tsimlyansk Reservoir
by T.M. Dolidze 275
Population dynamics of *Potamothrix alatus paravanicus* Poddubnaya & Pataridze (Tubificidae) in different areas of Laken Sevan
by K. Jenderedjian 281

Influence of environmental factors on the production of *Potamothrix alatus paravenicus* Poddubnaya & Pataridze (Tubificidae) in different areas of Lake Sevan
by K. Jenderedjian 287
Population dynamics and energy budget of *Marionina southerni* (Cernosvitov) (Enchytraeidae, Oligochaeta) in the shallow littoral of Lake Esrom, Denmark
by C. Lindegaard, K. Hamburger & P.C. Dall 291
Population dynamics of *Narapa bonettoi* Righi and Varela, 1983 (Oligochaeta:Narapidae) from the main channel of the Middle Paraná River, Argentina
by M. Marchese 303
Production of some oligochaete species in large Estonian lakes
by H. Timm 309
Observations on cohorts of *Tubifex tubifex* cultured at different food levels, using cellulose substrate
by A. Pasteris, C. Bonacina & G. Bonomi 315
